tom:

[Intro] E A E B

E A Dbm B

[Primeira Parte]

B  
In the quiet of the morning light, My worries clouds my sight  
But Your voice, breaks, through the strife  
Your presence makes me whole, bringing healing to my soul  
Saying in you I'll have, peace, in my life!

[Pré-Refrão]

E A E B  
For the birds of the air, they do not sow  
E A Dbm B

Yet You feed them everyday, this I know  
Then why should I fret, why should I fear?  
When I know the Father holds me dear!

[Refrão]

A E B  
Cast your burdens, lay them down  
For the Lord provides, He wears the crown  
He's King, Seek His kingdom, seek His grace  
In His loving arms, you'll find

Your resting, place!

[Final] E A E B
