[Primeira Parte]

Hey, dear Sun
 I haven't seen you for some days
 All those colors turned to gray
 All those dreams has come undone
 Ways of sound
 Rubber, lead, gold, glass and copper
 Aluminum plus the air and the water
 Brought me here

[Refrão]

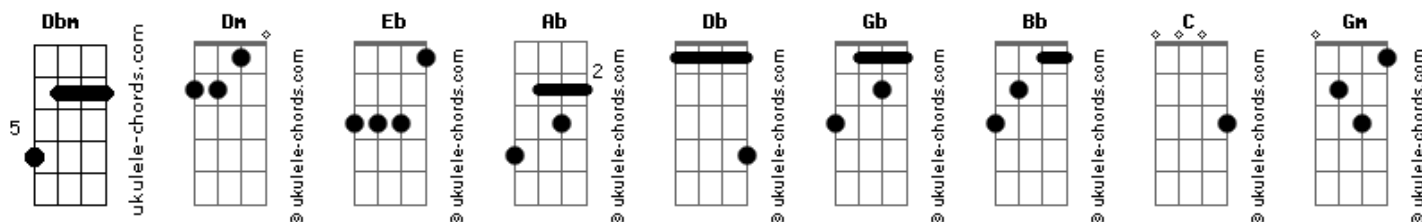

You showed me how to live again
 Throwing to the skies my rage
 Singing for the life
 I recall the dreams when you said
 You will survive to see
 Such a happy day like this
 Right before the mountains claim
 The place where humankind lives
 You can believe what I say
 I'll always rise up

(Dm C Bb)
 (Gm Dm C)

[Segunda Parte]

Listen, son
 I've been here for all these years
 There's no shadow on your land
 You shall free yourself from sorrows

Acordes

Coming dawn, better wake
 Golden light will bring
 Something to believe in the dreams
 Coming from your head

[Refrão]

You showed me how to live again
 Throwing to the skies my rage
 Singing for the life
 I recall the dreams when you said
 You will survive to see
 Such a happy day like this
 Right before the mountains claim
 The place where humankind lives
 You can believe what I say
 I'll always rise up

 You can believe what I say
