

Antemas - Old Moon

tom:
Db (forma dos acordes no tom de D)
Afinação: Eb Ab Db Gb Bb Eb

Intro: G G Em D
G G Em D

[Primeira Parte]

G
And the sky still wearing dark
Em
Stars spin around Old Moon
D
Our natural satellite
G
Worth its weight in gold
Em
Not alone, a beacon in the space yard
D
Will guide my way back home

[Pré-Refrão]

C D Em
Just one more try
C D Em
A new way out, you must find
C
Burn the leaves to get warm
C
Burn the fears to get strong
D
Burn the lies, burn all the rest
D
You're not alone

[Refrão]

Em C
Let the night embrace
G
Your divided heart
D
Then you can finally
Em
Choose a different way
C
Drink the water, feel the air
G
You have much, but you don't care
D
All those memories are gone
D

Prepare yourself

C
The storm has come

[Pré-Refrão]

G D C G
Collect your treasures from the universe
D
And reach your goal

[Ponte]

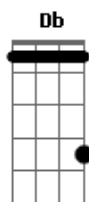

G D
Soon the Sun will rise again
Em
But this time it has to show its face
C
Could you please unblind it?
G D
So that I can see my path through the window
Em
And look for the wisdom
C G D C
That lies where the birds are si__ingi__ing
[Refrão]

Em C
Get inside The Great Wall
G
(Amusement Park)
D Em
The only one that does not need a gate
C
Aim the skies, just crave
G D
Now you're going to the oceans
C
And the mountains like you dreamt

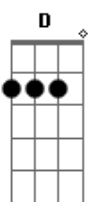

[Final]

G Em D C
Grab all your treasures no__ow
G Em D C
Grab all your treasures no__ow
G Em D C
Grab all your treasures no__o__ow
G D C
Grab all your treasures now
G D
The universe allows
