[Primeira Parte]

Virgin forest has inside it
Spirits out of home and despite that
They'll never be alone in their fights
Rivers flow against a thousand trees
With different dreams and different tones of bark
Cradle of life, a rainy night

[Refrão]

Brave lonely world and all the lights of mother green
Woods made by stones, bamboos and lovely nights
Sand from the desert fertilizes all the nature
Great rainforests due to the strong sea wind
(G A Bm)
(G A Bm)

[Segunda Parte]

Learning how to live without the lakes
Bad moments of life
Even so, we see them knocking trees with fire
How to win the fight against the time
To heal our mother green while it's still alive?

Looking for the lakes, dragonflies slowly die

[Refrão]

Brave lonely world and all the lights of mother green
Woods made by stones, bamboos and lovely nights
Sand from the desert fertilizes all the nature
Great rainforests due to the strong sea wind
Thanks to the concentrated power
Of photosynthesis providing health
You came to the forest and took the flowers away from me
