

Anthony Lázaro - Gravity

tom:

Intro: Cm F Dm Eb

Cm
Girl you look tired

F
Take off your shoes now
Come here to bed

Dm
We'll chase your blues out
Jump up on board

Eb
We're taking a ride to Mars

Cm
Let's take our space ship

F
Out in the sky
Fly to the Moon and take out a slice

Dm
Space Bonnie & Clyde

Eb
Riding into the night

Cm
Cause you've been working so hard

F
But this is your cue
Just for tonight

I'll Take care of you

Dm
And we'll leave

Eb
All this gravity behind

(Cm F Dm Eb)

We'll chase after comets

And jump on their trails

F
We'll get a small of taste
Dm Eb
From the Milky Way

Cm
And then we'll go

Back to the start

F
We're gonna head to planet earth
Dm
Landing from space

Eb
Right into our bed

Cm
Cause you've been working so hard

F
But this is your cue
Just for tonight

I'll Take care of you

Dm
And we'll leave

Eb
All this gravity behind

Cm
Cause you've been working so hard
But this is your cue

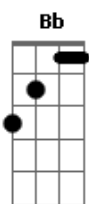

F
Just for tonight

I'll Take care of you

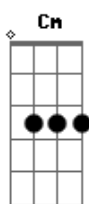

Dm
And we'll leave

Eb
All this gravity behind
