Intro:  G  C  G  Cadd9

[Primeira Parte]

G    C                  G          C
I...i am a diamond and I cannot be broken
G    C                  G          C         Am
I...i am a diamond and I cannot be broken
                        Em         F
Mother please don't cry for me
                D
I rolled the dice
                        G
Just give it some time
                        C
If you could just be kind

To me
        G
'Cuz I don't care

The life I waste is
C
Mine

Am                         Em        F
It don't mean much in the grand scheme
                          D
I've given up and given

Everything

[Refrão]

C            G
It's worth repeating
                    C
Over again
            G           Bm
I'll keep my head up and swallow my pride
C
Again
            Bm
I'll give it away
C
Again
                Am
It's been dead so long it can't die there
        G
Again

[Segunda Parte]

G    C                  G          C
I...i am a diamond and I cannot be broken
G    C                  G          C         Am
I...i am a diamond and I cannot be broken
                        Em         F
Mother mine's a foolish game

But
                    D
The same could be said
                    G
Said about yours
                        C             D
He took your youth and he took your name
D
```

```
What did your journey here ensure?

[Refrão]

C            G
It's worth repeating
                    C
Over again
            G           Bm
I'll keep my head up and swallow my pride
C
Again
            Bm
I'll give it away
C
Again
                Am
It's been dead so long it can't die there
        G
Again

[Ponte]

G
I'm all grown up
C
I've got my pride
G
Why let me live
C
To let me die?
G
I'm all grown up now
C
I've got my pride
G
Let me live
C
Let me die

[Refrão]

C            G
It's worth repeating
                    C
Over again
            G           Bm
I'll keep my head up and swallow my pride
C
Again
            Bm
I'll give it away
C
Again
                Am
It's been dead so long it can't die there
        G
Again

G    C                  G          C
I...i am a diamond and I cannot be broken
G    C                  G          C
I...i am a diamond and I cannot be broken
G
You're a diamond too
G
I was cut from you
