

Aodhán King - Real Thing

tom:

C

Intro: F Am G F C G

[Primeira Parte]

Take me back to the first love
Back to where it all began
I return here, I am Lord
Open up my eyes
To see who You are

[Refrão 1]

I, I want the real thing
Give me the real thing
And nothing but You oh
Come with Your Holy presence
Just one touch from heaven
Changes everything
(C)
I want the real thing

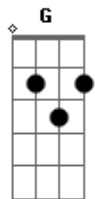

(C Dm Am F)

[Segunda Parte]

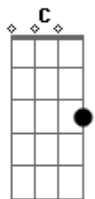

I'm on my knees, I repent Lord
For the times I made it 'bout myself
I forgot You're full of mer-cy
And Your goodness stands
Forever unbroken

F Am G

Here I am with my arms wide open

[Refrão 2]

I, I want the real thing
Give me the real thing
And nothing but You oh
Come with Your Holy presence
Just one touch from heaven
Changes everything
I want the real thing
Give me the real thing
All else I could lose
I want nothing but You
I want the real thing
All else I could lose
I want nothing but You
[Ponte]

I'm reaching, I'm reaching
For just a glimpse of Your heart
I'm leaning, I'm leaning in
Take me deeper still
Undo me, renew me
Undo me, renew me
