

Aparecido Galindo - A Bela Dama

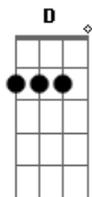

tom:

A Bela Dama
 Me visitou
 A meia noite
 Ela chegou
 Me convidando
 A lhe acompanhar
 Para onde vamos
 Sem regressar
 Ó Bela Dama
 Refúgio da dor
 Deixe-me, mais um pouco

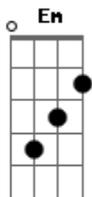

Acreditar, no amor

A sua voz
 Era gelada
 E sua face
 Escalavrada
 A convidei
 Não quis entrar
 Então partiu
 A escutar
 Ó bela dama
 Refúgio da dor
 Deixe-me, mais um pouco
 Acreditar, no amor
