

Aparecido Galindo - Ocaso

tom:

Dm

Dm

Gm

Casa morada morena

A7

De tijolos atemporais

Janelas, portas pequenas

Cheiro de chuva em finais

De verões principiando

A primavera da alma

Longe, ao longe anunciando

Temporais em minha calma

Casa, ocaso

És o reino da saudade

Dentro dele a mocidade

Se perdeu no além

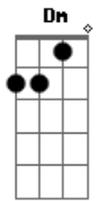

Casa, acaso

A vida é mesmo incerta

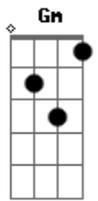

É uma janela aberta

A esperar por alguém
