 Fall into Place

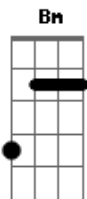

(4x)  
 I'm struggling just to see  
 Amount to better ways  
 What's possibly meant to be?  
 Was probably meant for me  
 It's never been on a plate  
 Well it's never been on a plate  
 So mother I hope that I ?  
 Will fall into place  
 Du du du du du du dudu du dudu  
 Fall into Place

(3x)  
 I'm struggling just to see  
 Amount to better ways  
 What's possibly meant to be?  
 Was probably meant for me  
 It's never been on a plate  
 Well it's never been on a plate  
 So mother I hope that I ?  
 Will fall into place.
