And the clarity touch my face

Sweet love, don't think about the worries

Things don't easily change

But our sun is coming out to shine again

Is it this time of day that make me realise

Our mind can move through dimensions unexplained

Be the living soul of this time

Be has clear as the sky above

You're gonna change your history

You just believe it

Let's stay together into the ...

Morning light, our sun is coming out to shine again

Come and take my hand to rumminf free

Morning light, the magic horizon will come

Take my hand and we'll be in a dream

Our mind can move through dimensions unexplained

Be the living soul of this time

Be has clear as the sky above

You're gonna change your history

You just believe it

Let's stay together into the ...
