

# Arani - Never Surrender

Tom: **B**

(Intro de baixo)

(Parte 1)

Fighting against the wind  
We can not lose  
This time we are together  
Until the end of war  
We took our swords  
Prepare to fight  
This time you die  
But we still alive

(Bridge)

(Pré-Chorus)

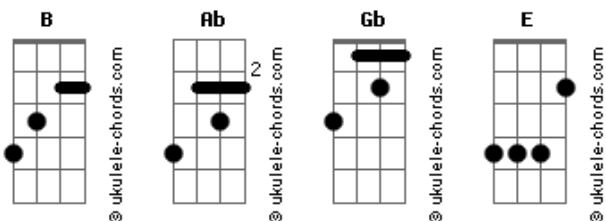

Come on!  
We have the power  
Ride on!  
Against all the sorrows  
Carry On!  
Take my hand and fly

(Refrão)

**Ab Gb**  
Never Surrender  
**E Gb**  
Remember the first time, you were in the dark  
**Ab Gb**  
Never Surrender  
**E Gb**  
Out of the shadows, we have to fly  
**Ab Gb**  
Never Surrender  
**E Gb**  
There is no reason, for you to cry

**Ab Gb**  
Never Surrender  
**E Gb**

Our glory tonight  
Will be forever
