Base: **B A Gb G A** (2X)

(PARTE 1)

Abafada:

**B**  
I've been waiting for an answer

**G A**  
To find myself inside the confusion

**B**  
Cause I believe in a reason

**D A**  
To find a way to escape from this illusion

**B**  
I've got to know, where am I?

**G A**  
How could I be so blind?

**B**  
And all I want is a meaning

**D A**  
To awake and be alive

(REFRÃO)

**B A Gb G A**  
But now I know how is to be lost  
Lies and more lies are fading away  
Nothing to say, or to just think  
I was insane inside my sanity  
Don't tell me  
I can see

Staying lost
