

Arcanne - Birds (feat. Bolghar & Shay Bueno)

tom:

Gb

|Tab - Riff|

My demons I've left behind

D

What am I trying to find?

Gb

I'm dancing on my own

D

The wind begs me to go

To the place where my soul is settled

Gb

Can't you see my wings?

D

They just want to be free

Gb

Like birds in the sky

Gb

I'm running away this time

D

Trying to escape from my own mind

Gb

I'm blinded by the city lights
