I want an interesting synonym to describe this thing
G G Cm

That you say we're all grandfathered in
G G Cm

I'll use the search engine
G G Cm

(We've got much to discuss)

Too much to discuss over a bucket of balls
Cm B Gm G

I can reca- ll the glow of your low beams

G G Cm
It's the big night in Tinsel City
G G Cm G G
Life became a spectator sport

Cm
I launch my fragrance called 'Integrity'

Abm Cm B
I sell the fact that I can't be bought

Gm G
Have I told you all about the time that I got sucked into a hole?

Cm
Through a handheld device?

Cm
I will flashback now and again, but I'm usually alright
G G Cm

Thankfully, the process has been simplified

Abm
Since the last time you tried

Cm B Gm G Cm
I've recogni- sed the glow of your low beams nu- merous times
Fm Cm

I'll be by the Batphone if you need to get a hold

Panoramic windows looking out across your soul

G G Cm
You go in through the door

G G Cm
Vengeance Tril-ogy wallpaper walls

G G Cm
They have redecorated it all

Abm
They've changed all the lights and the bar's down the side

Cm B Gm G Cm
I've recogn- ised the glow of your low beams nu- merous times

Fm Cm
Through fairly opaque blinds in the sitting room

Fm Cm
Vehicles will pass by, but I know when it's you

Fm Cm
I'll be in a nose dive in my flying shoes

Fm Cm
Right behind your closed eyes like a memory from your youth

Fm Cm
I'll be by the Batphone if you need to get a hold

Fm Cm
Making a selection, opening credits roll

Fm Cm
Killer Pink Flamingos, computer controlled

Fm G G Cm
Panoramic windows looking out across your soul
