 Just like those fibbs that pop and fizz **Dbm Gbm**
 And you'll be forced to take that awful quis **Dbm Gbm**
 And you're bound to trip and she'll detect the fiction **Dbm Gbm**
 On your lips and dig a contradiction up **Dbm Gbm**

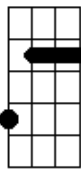

(refrão)
A and the clean coming will hurt **Dbm**
 and you can never get it spotless **B**

(repete acordes da 1ª parte)
 I'm sure it's clear and plain to me
 Its not an alibi you need just yet
 Oh no it's something for those beads of sweat
 Yes that we'll get you back to normal
 And after you have dabbed the patch you'll grieve
 And then proceed to scratch the varnish off
 That newly added calmness
 So as not to raise any alarms too soon

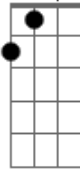

(repete refrão)
Gbm Time to decide on his saunter **Dbm**
 Have you got itchy bones **Gbm**
 And in all your time alone **B**
 Can you hack your mind being riddled **Gbm** **E**
 With the wrong memories **Ab**
A and the clean coming will hurt **Dbm**
 and you can never get it spotless **B** **Gbm**
 When there's dirt between the dirt **E** **Ab**
