

# Arctic Monkeys - Dancing Shoes

Tom: **B**

Get on your dancing shoes **Ab**  
 There's one thing on your mind **Db E**  
 Hoping they're looking for you **Ab**  
 Sure you'll be rummaging through **Db E**  
 Oh, And the shit, shock, horror **Ab**  
 You've seen your future bride **Db E**  
 Oh, but it's oh so absurd **Ab**  
 For you to say the first word **Db**  
 So you're waiting and waiting **E**  
 ( **Ab Gb Db B Ab** )

The only reason that you came **Ab Gb Db B Ab**  
 So what you scared for **Ab Gb Db B Ab**  
 Don't you always do the same **Ab Gb Db B Ab**  
 It's what you there for, don't you know **Ab**  
 The lights are flashing **Db E**  
 Down in here tonight **Ab**  
 And some might exchange a glance **Db E**  
 But keep pretending to dance **Ab**  
 Don't act like it's not happening **Db E**  
 As if it's impolite **Ab**  
 To go and mention your name

Instead you'll just do the same **Db**  
 As they all do, and hope for the best ... **E**  
 ( **Ab Gb Db B Ab** )

The only reason that you came **Ab Gb Db B Ab**  
 So what you scared for **Ab Gb Db B Ab**  
 Well, Don't you always do the same **Ab Gb Db B Ab**  
 It's what you're there for but no...
