(Acústico)

Gm Have you got colour in your cheeks? **Eb** **Cm**

Do you ever get that fear that you can't shift the tide **Gm**

That sticks around like something in your teeth **Gm**

Hide some aces up your sleeve **Eb** **Cm**

Have you no idea that you're in deep? **Gm**

I've dreamt about you nearly every night this week **Eb** **Cm**

How many secrets can you keep?

'Cause there's this tune I've found **Gm**

That makes me think of you somehow **Gm**

When I play it on repeat **Eb** **Cm**

Until I fall asleep **D**

Spilling drinks on my settee

(Do I wanna know?) **Eb**

If this feeling flows both ways **Cm**

(Sad to see you go) **Gm**

Sort of hoping that you'd stay **Eb**

(Baby we both know) **Cm**

That the nights were mainly made for saying things **Gm**

That you can't say tomorrow day **Gm**

Crawling back to you **Eb** **Cm**

Ever thought of calling when you've had a few? **Gm**

Cause I always do **Gm**

Maybe, I'm too **Eb** **Cm**

Busy being yours to fall for somebody new

Now I've thought it through **Gm**

Crawling back to you **Gm**

So have you got the guts? **Eb** **Cm**

Been wondering if your heart's still open **Gm**

And if so I wanna know what time it shuts **Eb** **Cm**

Simmer down and pucker up

I'm sorry to interrupt **Gm**

It's just I'm constantly on the cusp of trying **Eb** **Cm**

To kiss you

I don't know if you **Gm**

Feel the same as I do **Eb** **Cm**

But we could be together **D**

If you wanted to **Eb**

(Do I wanna know?) **Cm**

If this feeling flows both ways **Gm**

(Sad to see you go)

Sort of hoping that you'd stay **Eb**

(Baby we both know) **Cm** **Gm**

That the nights were mainly made for saying things

That you can't say tomorrow day

Crawling back to you **Gm**

Ever thought of calling when you've had a few? **Eb** **Cm**

Cause I always do **Gm**

Maybe I'm too **Eb** **Cm**

Busy being yours to fall for somebody new **Gm**

Now I've thought it through

Crawling back to you

(Do I wanna know?) **Eb**

If this feeling flows both ways **Cm**

(Sad to see you go) **Gm**

Sort of hoping that you'd stay **Eb**

(Baby we both know) **Cm**

That the nights were mainly made for saying things **Gm**

That you can't say tomorrow day

(Do I wanna know?) **Cm**

Too busy being yours to fall **Gm**

(Sad to see you go) **F**

Ever thought of calling, darling?

Eb
 (Do I wanna know?)

Do you want me Cm crawling back to you? Gm
