[Verse]

Em Have you got colour in your cheeks? **C** **Am**
Am Do you ever get the fear that you can't shift the type **Em**
that sticks around like summat in your teeth? **Em**
Are there some aces up your sleeve? **C** **Am**
Have you no idea that you're in deep? **Em**
I dreamt about you nearly every night this week **Em**
How many secrets can you keep? **C** **Am** **Em**

Cause there's this tune I found that makes me think of you somehow **Em**

And I play it on repeat **C** **Am**

Until I fall asleep **B**

Spilling drinks on my settee

[Pre-Chorus]

C Do I wanna know
if this feeling flows both ways? **Am**
Sad to see you go **Em**
Was sorta hoping that you'd stay **Em**
Baby we both know **C**
That the nights were mainly made **Am**
for saying things that you can't say tomorrow day **Em**

[Chorus]

Em Crawlin' back to you
Ever thought of calling when you've had a few **C** **Am**
Cos I always do **Em**
Maybe I'm too busy being yours to fall for somebody new **C** **Am**
Now I've thought it through **Em**
Crawlin' back to you **Em**

[Verse]

So have you got the guts? **C** **Am**
Been wondering if your hearts still open **Em**

Em And if so I wanna know what time it shuts **Em**
C Simmer down and pucker up **Am**
I'm sorry to interrupt

Em It's just I'm constantly on the cusp

Of trying to kiss you **C** **Am**

I don't know if you feel the same as I do **Em**

But we could be together **C** **Am**

if you wanted to **B**

[Pre-Chorus]

C Do I wanna know
if this feeling flows both ways? **Am**
Sad to see you go **Em**
Was sorta hoping that you'd stay **Em**
Baby we both know **C**
That the nights were mainly made **Am**
for saying things that you can't say tomorrow day **Em**

[Chorus]

Em Crawlin' back to you
Ever thought of calling when you've had a few **C** **Am**
Cos I always do **Em**
Maybe I'm too busy being yours to fall for somebody new **C** **Am**
Now I've thought it through **Em**
Crawlin' back to you **Em**

[Pre-Chorus]

C Do I wanna know
if this feeling flows both ways? **Am**
Sad to see you go **Em**
Was sorta hoping that you'd stay **Em**
Baby we both know **C**
That the nights were mainly made **Am**
for saying things that you can't say tomorrow day **Em**

C Do I wanna know
Too busy being yours to fall **Am**
Sad to see you go **Em**

Ever thought of calling darling? **D**
Do I wanna know **C**

Do you want me crawling back to you? **Am** **Em**
