

Arctic Monkeys - Do I Wanna Know

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G)

Have you got colour in your cheeks?

Do you ever get the fear that you can't shift the type

that sticks around like summat in your teeth?

Are there some aces up your sleeve?

Have you no idea that you're in deep?

I dreamt about you nearly every night this week

How many secrets can you keep?

Cause there's this tune I found that makes me think of you somehow

And I play it on repeat

Until I fall asleep

Spilling drinks on my settee

[Do I wanna know]

if this feeling flows both ways?

[Sad to see you go]

Was sorta hoping that you'd stay

[Baby we both know]

That the nights were mainly made

for saying things that you can't say tomorrow day

Crawlin' back to you

Ever thought of calling when you've had a few

Cos I always do

Maybe I'm too busy being yours to fall for somebody new

Now I've thought it through

Crawlin' back to you

So have you got the guts?

Been wondering if your hearts still open

And if so I wanna know what time it shuts

Simmer down and pucker up

I'm sorry to interrupt

It's just I'm constantly on the cusp

Of trying to kiss you

I don't know if you feel the same as I do

But we could be together

if you wanted to

[Do I wanna know]

if this feeling flows both ways?

[Sad to see you go]

Was sorta hoping that you'd stay

[Baby we both know]

That the nights were mainly made

for saying things that you can't say tomorrow day

Crawlin' back to you

Ever thought of calling when you've had a few

Cos I always do

Maybe I'm too busy being yours to fall for somebody new

Now I've thought it through

Crawlin' back to you

[Do I wanna know]

if this feeling flows both ways?

[Sad to see you go]

Was sorta hoping that you'd stay

[Baby we both know]

That the nights were mainly made

for saying things that you can't say tomorrow day

[Do I wanna know]

Too busy being yours to fall

[Sad to see you go]

Ever thought of calling, darling?

[Do I wanna know]

Do you want me crawling back to you?
