

# Arctic Monkeys - Fireside

Tom: **F**

Intro: **Dm**

**Dm**  
I can't explain but I wanna try  
There's this image of you and I  
And it goes dancing by **Bb**  
In the morning and the night time **Gm** **Dm**  
There's all these secrets that I can't keep  
Like in my heart there's that hotel suite **Bb**  
And you lived there so long **Gm** **Dm**  
It's kind of strange now you're gone

[Chorus]

**Bb**  
I'm not sure if I should **Gm**  
Show you what I've found **Bb**  
Has it gone for good **Gm**  
Or is it coming back around? **Bb**  
Isn't it hard to make up your mind **Gm**  
When you're losing **Dm**  
And your fuse is fireside

[Verse2]

**Dm**  
There's all those places we used to go  
And I suspect that you already know **Bb**  
But that place on memory lane **Gm**  
You like still looks the same **Dm**

But something about it's changed

[Chorus]

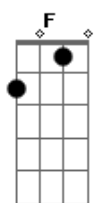

**Bb**  
I'm not sure if I should **Gm**  
Show you what I've found **Bb**  
Has it gone for good **Gm**  
Or is it coming back around? **Bb**  
Isn't it hard to make up your mind **Gm**  
When you're losing **Dm**  
And your fuse is fireside  
[Bridge]  
**Bb** **Gm** **Bb**  
And I thought I was yours, Forever **Gm**  
Or maybe I was mistaken, **Bb**  
But I just can't help manage to **Gm** **Dm**  
Get through the day without thinking of you lately

[Chorus]

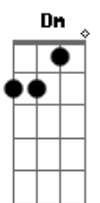

**Bb**  
I'm not sure if I should **Gm**  
Show you what I've found **Bb**  
Has it gone for good **Gm**  
Or is it coming back around? **Bb**  
Isn't it hard to make up your mind **Gm**  
When you're losing **Dm**  
And your fuse is fireside

( **Dm** )
