Parte oitavada Riff:

If you were there, beware the serpent soul pinchers
 Can't you sense she was never meant to fill column inches
 And you've had enough, what you're trying to dig up isn't
 there to be dug,
 the thieves help the thugs
 As they're trying beat the good grace of a sweetheart out to
 the point she'll comply

Riff 2:

Why leave her on her own
 If I'd have known then I wouldn't have said it

 Why leave her on her own
 If I predicted tears then I wouldn't have said it
 I wouldn't have said it if I would have known
