Tom: G
                                                                and I'll breathe underwater 'cause i like the way it feels
Introdução e Riff 1:
                                                                Your call's late, big mistake
                                                                You've gotta hang about in limbo for as long as I take
                                                                                                  Bb
                                                                Next time, read my mind and I'll be good to you
Acordes da segunda guitarra, enquanto a primeira executa o
Riff 1 durante toda a musica.
                                                                We're gift-wrapped kitty cats

Intro: G
Ladies you're damn right
You can't read a man's mind
We're living in two tribes
                                                                Come take my hand
       Bb
And heading for war
                                                                Understand that you can
Nobody's perfect
                                                                You're my man and I need you tonight
We've all got to work it
                                                                Come make my dreams
But fellas, we're worth it
         Bb
                                                                Honey hard as it seems
So don't break the law
                                                                Loving me is as easy as pie, I
Your call's late, big mistake
You've gotta hang about in limbo for as long as I take
                                                                I'm just a love machine , Feeding my fantasy
Next time, read my mind and I'll be good to you
                                                                                         Bb
                                                                Give me a kiss or three, and I'm fine
We're gift-wrapped kitty cats
We only turn into tigers when we gotta fight back
                         Bb
                                                                I need a squeeze a day, Instead of this negligee
Let's go, Eskimo Out into the blue
                                                                                          Bb
                                                                What will the neighbors say, This time
Bb
Come take my hand
                                                                                                                     Bb
Understand that you can
                                                                Oh, It's very new, Can anybody tell me what to do
                                                                Oh, This feeling's very strange
You're my man and I need you tonight
                                                                                                   Bh
                                                                                                          C
                                                                Can anybody tell me what's your game
Come make my dreams
Honey hard as it seems
Loving me is as easy as pie, I
                                                                Oh A little education
                                                                Oh To give me motivation
                                                                Oh We'll turn the situation 'round
I'm just a love machine , Feeding my fantasy
                         Bb
                                                                Oh Making you a stranger
Give me a kiss or three, and I'm fine
                                                                                        Bh
                                                                Oh I'll only rearrange you For now
I need a squeeze a day, ?stead of the negligee
What will the neighbors say, This time
                                                                Oh I'm just a love machine
                                                                Oh So give me motivation
I've been goin' crazy while you sleep
                                                                Oh I'm just a love machine
Thinkin' of a language that the two of us can speak
                                                                Oh I'm just a love machine
So Mr. Prehistoric make your wheel
                                                                Oh So give me motivation
                                              Bb
                                                     C
                                                                                     Bb
                                                                Oh I'm just a love machine
