```
Intro: A Guitarra 1 faz a base para a Guitarra 2 fazer o
                                                               The one that I can't bear.
solinho da introducão.
                                                               Can't we...
                                                               (Refrão de novo)
Prestando atenção onde são executados os acordes a seguir:
                                                               Laughs and jokes around
                      Gbm
                                                                             D
                                                               Remember cuddles in the kitchen yeah
                                                               To get things off the ground and it was
(Versos e Intro)
                                                                    up up and away
Well now then Mardy Bum
                                                               oh but it's right hard to remember that
I see your frown and it's like
looking down the barrel of a gun
                                                               on a day like today when your all
And it goes off
                                                                   argumentative and you've
                                                               got the face on
And out come all these words
         G
Oh there's a very pleasant side to you
A side I much prefer, it's one that
                                                               Yeah i'm sorry I was late
                                                               I missed the train and the traffic was a state
Laughs and jokes around
                                                               I can't be arsed to carry on in this debate that reoccurs
      D
             D
Remember cuddles in the kitchen yeah
                                                               Oh when you say I don't care of course i do
To get things off the ground and it was
                                                               Yeah i clearly do.
    up up and away
                                                               Solo com a base do verso:
oh but it's way hard to remember that
on a day like today when your all
                                                               Refrão:
   argumentative and you've
got the face on
                                                               Laughs and jokes around
                                                                      D
                                                                            D
                                                               Remember cuddles in the kitchen yeah
(Intro)
Verso 2:
                                                               To get things off the ground and it was
                                                                    up up and away
Well now then Mardy Bum
Oh I'm in trouble again
                                                               oh but it's right hard to remember that
aren't I? I thought as much.
                                                               on a day like today when your all
Coz you've turned over there
                                                                   argumentative and you've
                                                               got the face on
```

Pulling that silent disappointment face
