

Arctic Monkeys - My Propeller

Tom: **C**

(intro): **E G C Am C G Em**

Verso

If you can summon the strength, tow me.
I can't hold down the urgency
You've got to make your decent slowly
And oil up those sticky keys

Ponte

Coax me out, my love
And have a spin of my propeller

Verso

It's a necessary evil
No cause for emergency
Borrow the beak of a bald eagle
Oh, momentary synergy

Ponte

Coax me out my, my love
Sink into tomorrow
Coax me out, my love
And have a spin of my propeller

E G C Am C G Em

Solo

E G C Am C G Em

My propeller won't spin and I can't get it started on my own
When are you arriving?
My propeller won't spin and I can't get it started on my own
When are you arriving?
My propeller won't spin and I can't get it started on my own
When are you arriving?
My propeller
