

Arctic Monkeys - No. 1 Party Anthem

```
Tom: G
                                                                                                                                                                                                                                                                        Drunken monologues, confused because
                                                                               R7
So you're on the prowl wondering whether she left already or
                                                                                                                                                                                                                                                                        It's not like I'm falling in love I just want you to do me no
                                                                                                                                                                                                                                                                         And you look like you could
Leather jacket, collar popped like Cantona
Never knowing when to stop
                                                                                                                                                                                                                                                                                    Come on, come on, come on
Sunglasses indoors, par for the course
                                                                                                                                                                                                                                                                                          G7
                                                                                                                                                                                                                                                                        Come on, come on, come on
Lights in the floors and sweat on the walls
                                                                                                                                                                                                                                                                                                                     Cm
                                                                                                                                                                                                                                                                         Number one party anthem
Cages and poles
                                                                                                                                                                                                                                                                         Come on, come on, come on
Call off the search for your soul, or put it on hold again
                                                                                                                                                                                                                                                                         Before the moment's gone
She's having a sly indoor smoke
                                                                                                                                                                                                                                                                         Number one party anthem
And she calls the folks who run this her oldest friends
                                                                                                                                                                                                                                                                        The look of love - the rush of blood
The "She's with me" - the Gallic shrug
Sipping a drink and laughing at imaginary jokes
                                                                                                                                                                                                                                                                         The shutterbugs - the Camera Plus
As all the signals are sent, her eyes invite you to approach
                                                                                                                                                                                                                                                                         The black & white - the colour dodge
And it seems as though those lumps in your throat
                                                                                                                                                                                                                                                                         The good time girls - the cubicles
That you just swallowed have got you going
                                                                                                                                                                                                                                                                        The house of fun - the number one party anthem
           Come on, come on, come on
                                                                                                                                                                                                                                                                                Come on, come on, come on % \left( 1\right) =\left( 1\right) \left( 1\right)
Come on, come on, come on
                                                                                                                                                                                                                                                                         Come on, come on, come on
                                          Cm
Number one party anthem
                                                                                                                                                                                                                                                                         Come on, come on, come on
                                                                                                                                                                                                                                                                         Come on, come on, come on
She's a certified mind blower, knowing full well that I don't
                                                                                                                                                                                                                                                                                 Cm
                                                                                                                                                                                                                                                                         Before the moment's gone
May suggest there's somewhere from which you might know her
                                                                                                                                                                                                                                                                                                                       \mathsf{Cm}
                                                                                                                                                                                                                                                                         Number one party anthem (3x)
Just to get the ball to roll
Acordes
