

# Arctic Monkeys - No. 1 Party Anthem

tom:  
[Primera Parte]

G So, you're on the B prowl  
Wondering whether  
C She left already or not  
Am Leather jacket  
D Collar popped like Cantona  
G Never knowing when to stop

G Sunglasses indoors  
B Par for the course  
C Lights in the floors  
And sweat on the walls  
Am D Cages and poles  
[Segunda Parte]

G Call off the search for your B soul  
C Or put it on hold again  
Am She's having a sly indoor smoke  
D And she calls the folks  
G Who run this her oldest friends  
Sipping a drink and laughing  
B At imaginary jokes  
C As all the signals are sent  
Am Her eyes invite you to approach  
D And it seems as though  
Cm Those lumps in your throat  
D That you just swallowed  
Have got you going

G B Em  
Come on, come on, come on  
G7 C  
Come on, come on, come on  
Cm G  
Number one party anthem

[Terceira Parte]

G B  
She's a certified mind blower  
C Knowing full well that I don't  
Am D  
May suggest there's somewhere from

## Acordes

I which you might know her  
G Just to get the ball to roll

G B  
Drunken monologues, confused because  
C It's not like I'm falling in love  
Am D  
I just want you to do me no good  
Cm D  
And you look like you could
