In a foreign place, the saving grace was the feeling  
And that it was a heart that he was stealing  
Oh he was ready to impress and the fierce excitement  
The eyes are bright he couldn't wait to get away  
I bet the juliet was just the icing on the cake  
Make no mistake no

[Refrão]

And even if somehow we could have shown you the place you wanted

Well I'm sure you could have made it that bit better on your own

And I bet she told a million people that she'd stay in touch  
Well all the little promises they don't mean much  
When there's memories to be made  
And I hope you're holding hands by new years eve  
They made it far too easy to believe  
That true romance can't be achieved these days

[Refrão]

And even if somehow we could have shown you the place you wanted

Well I'm sure you could have made it that bit better on your own

You are the only ones who know
