

Arctic Monkeys - When The Sun Goes Down

```
Tom: E
 So who's that girl there?
 I wonder what went wrong
So that she had to roam the streets
She don't do major credit cards
   Am
I doubt she does receipts

It's all not quite legitimate
 And what a scummy man
Just give him half a chance
          Am
I bet he'll rob you if he can
Can see it in his eyes, yeah
That he's got a driving ban
                            C Bb Am Gm Am
                     Gm
           Gm
Amongst some other offences
 And I've seen him with girls of the night
                      Am
And he told Roxanne to put on her red light
 They're all infected but he'll be alright
           Gm
                   Am Bb C
Cause he's a scumbag, don't you know
I said he's a scumbag, don't you know!

Although you're trying not to listen
I bet your eyes are staring at the ground
```

Although you're trying not to listen I bet your eyes are staring at the ground She makes a subtle proposition Sorry love I'll have to turn you down

And oh he must be up to something Want half a chance to show he's more than likely I've got a feeling in my stomach I start to wonder what his story might be What his story might be

And look here comes a Ford Mondeo
Isn't he Mister Inconspicuous
And he don't have to say 'owt
She understands she's here to get picked up
And she's delighted when she sees him
Pulling in and giving her the eye
Because she must be fucking freezing
Scantily clad beneath the clear night sky
She don't stop in the winter, no and...
