The mirror's image tells me it's home time
                    D
                           Bm Dbm A
But I'm not finished 'cause you're not by my side
               D
                         Bm Dbm A
And as I arrived I thought I saw you leaving, carrying your
shoes
               D
                                    Bm Dbm A
Decided that once again I was just dreaming of bumping into
you
            D
                      Bm
    Now it's three in the morning
            Dbm
And I'm trying to change your mind
(Gbm )
               D
                   Bm
Left you multiple missed calls
                   Dbm
And to my message, you reply
                                             Dbm A
                                    Bm
        Why'd you only call me when you're high?
```

Gbm D Bm Dbm A
High, why'd you only call me when you're high?

Somewhere darker, talking the same shite

Somewhere darker, talking the same shite I need a partner (high), well, are you out tonight? It's harder and harder to get you to listen, more I get through the gears
Incapable of making alright decisons and having bad ideas

Now it's three in the morning And I'm trying to change your mind Left you multiple missed calls And to my message, you reply (message, you reply)

Why'd you only call me when you're high? (Why'd you only call me when you're) High, why'd you only call me when you're high?

And I can't see you here, wondering where I might It sorta feels like I'm running out of time I haven't found what I was hoping to find

You said you gotta be up in the morning, gonna have an early night

Why'd you only ever phone me when you're high? Why'd you only ever phone me when you're high? Why'd you only ever phone me when you're high? Why'd you only ever phone me when you're High?
