If you know how to treat me  
You know how to touch me  
Baby then you'll get the chance  
The chance to love me  
It's obvious I want to be into you  
But it all depends on all the things you do  
Cause babe I promise, I promise  
If you keep it real with me  
Be honest, be honest  
You can get anything you want

That you want babe  
Just show me everything I need to see  
I'll give you anything boy
