

Ariana Grande - Best Mistake

Tom: **B**

Intro: **Bbm Bbm Abm7 Gb7 F F**

As soon as we forget how we felt
 Dealing with emotions that never left
 Playing with the hand that we were dealt in this game
 Maybe I'm the sinner, and not a saint
 Gotta stop pretending what we ain't
 Why we pointing fingers anyway? We're all the same

Pré-Refrão:

Bbm
 Break up, make up
Bbm Abm7
 Total waste of time
 Can we please make up our minds?
 And stop acting like we're blind
 Cause if the water dries up
 And the moon stops shining
 Stars fall, and the world goes blind
 Boy you know I'll be savin' my love for you, for you

Refrão:

Bbm Bbm Abm7
 Cause you're the best mistake I've ever made
 But we hold on, hold on
 There's no pot of gold at the rainbows we chase
 But we're holding on, hold on

 I guess times wasting, tick tocking lip locking
 How can we keep the feelings fresh how do we zip lock them
 Wear your heart up on your sleeves so watch for pickpockets
 I guess to go the distance we might need to pit stop it
 Hold love, I know love can be a beach with no shore
 I done count to ten lost my temper and went back to four
 I know sometimes it's hard to realize I'm the man that you need
 I had a dream we branched out started a family tree
 And I feel like everything we do is overdue
 You asked why I love your mom so much 'cause she's an older you
 I wish you were happy I guess thats the one thing I should be providing
 Ain't no number twos we both ones and ones the oddest
 Couple only human except you, you a goddess
 Only lying to you when I lie you down, just being honest
 When you start as friends it's hard to say you're never going back
 If I'm not the one then I'm the best mistake you ever had
