[Primeira Parte]

**G**  
This ain't the first time I've been hostage to these tears  
**Gbm** I can't believe I'm finally moving through my fears  
**G**  
At least I know how hard we tried, both you and me  
**Gbm** Didn't we? Didn't we?

[Pré-Refrão]

**G**  
So I grab my stuff  
Courtney just pulled up in the drive way  
It's time

[Refrão]

**G**  
Bye-bye  
Boy, bye  
**Gbm** Bye-bye  
It's over, it's over, oh yeah

[Segunda Parte]

**G**  
You know? I'm stronger than I think  
**Gbm** Usually, I'd join you on the floor  
But this dance ain't for me  
**G**  
Boy, just turn the music up  
Maybe someday we'll look back with love  
**Gbm** Didn't think you'd lose me  
**Bm** Now it's just too late to choose me
