

# Ariana Grande - ?Eternal Sunshine

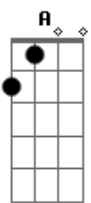

tom:  
 I don't care what people say <sup>D</sup>  
 We both know I couldn't change you  
 I guess you could say the same <sup>A</sup>  
 Can't rearrange truth  
 I've never seen someone lie like you do <sup>D</sup>  
 So much, even you start to think it's true, ooh <sup>A</sup>  
 Get me out of this loop  
 Yeah, yeah  
 So now we play our separate scenes <sup>D</sup>  
 Now, now she's in my bed, mm-mm, layin' on your chest <sup>A</sup>  
 Now I'm in my head, wonderin' how it ends <sup>D</sup>  
 I'll be the first to say: I'm sorry  
 Now you got me feelin' sorry  
 I showed you all my demons, all my lies <sup>A</sup>  
 Yet, you played me like Atari <sup>D</sup>  
 Now it's like I'm lookin' in the mirror  
 Hope you feel alright when you're in her  
 I found a good boy and he's on my side <sup>A</sup>  
 You're just my eternal sunshine, sunshine  
 So I try to wipe my mind <sup>D</sup>  
 Just so I feel less insane <sup>A</sup>  
 Rather feel painless  
 I'd rather forget than know, know for sure <sup>D</sup>  
 What we could've fought through behind this door, mm-mm <sup>A</sup>  
 So I close it and move, yeah, yeah  
 So now we play our separate scenes <sup>D</sup>  
 Now, now he's in your bed and layin' on my chest <sup>A</sup>  
 Now I'm in my head, i'm wonderin' how it ends, ends, ends  
 I'll be the first to say: I'm sorry <sup>D</sup>  
 Now you got me feelin' sorry <sup>A</sup>

I showed you all my demons, all my lies  
 Yet, you played me like Atari <sup>D</sup>  
 Now it's like I'm lookin' in the mirror  
 Hope you feel alright when you're in her  
 I found a good boy and he's on my side <sup>A</sup>  
 You're just my eternal sunshine, sunshine  
 Won't break, can't shake <sup>D</sup>
