I just broke up with my ex, now I'm out here single
I don't really know what's next, but I ain't even trippin'
I'm not jealous, lay back, and I know they will be coming
from the right and the left, left, left

I just broke up with my ex
You're the one I'm feeling as I'm laying on your chest
girl conversation got me holding my breath

and I don't normally say this, but goddamn you're the best,
best, best

And if it feels right, promise I don't mind
And if it feels right, promise I'll stay here all night

As I'm laying on your chest, I'll be out here thinkin''bout
it
Boys just to guess, some of just keep telling me I'm "better
than the rest"

And I ain't tryna rush you, but goddamn I'm a mess, mess,
mess

And if it feels right, promise I don't mind
And if it feels right, promise I'll stay here all night

I say, "Girl, you need a hot boy"
She say, "you need to stop fuckin' with them thots, boy"
I say "you need a real nigga" she said "yes, Lord"
And what you need your ex for? I'm triple X, Lord
Okay, Ariana my lil mama, goodbye to the good girl
My ex tripping, it's no Biggie, I 2Pac shook her
I'm laid up with my new thing, she lay her head on my new
chain
Then the mood change, my name change from Lil Wayne to Oooh
Wayne
Oh Lord, she grinding on this Grande, oh Lord
I'm drowning, I'm gonna need that coast guard
And when it comes to that nigga, I give her amnesia
She just looking for love, she says she single and I'm her
feature
Oh, my God!

You're no good, but it's time I love you baby
Tunechi, Mula baby / But it's time I love you, yeah, yeah, ah

She's looking for love / I'm looking for love
She's looking for love / You're looking for love, baby
She's looking for love / I'm looking for love, baby
She's looking for love / Ahhh yeah yeah

She's looking for love
I'mma give her that love / He'll give that love
She's looking for love / Boy, I'm looking for love, baby
I'mma give her that love, I'mma give her that... I'mma give
her that...
