                                                                       D
It?s time for us to all give something,
                                                                There?s enough for everyone
                                                                       Cm
All around the world this time of year,
                                                                If you spend a little time, look deep inside, search your
As a matter of fact it won?t cost you much,
                                                                And I?m sure you?ll find that the best gift
It?s in your heart you got it right there,
                                                                You can give this christmas
You got it right there
                                                                All we need is love
The truth is
                                D
                                                                Love is all we need
Your heart is the biggest gift you can give anyone,
                                                                Love underneath the tree
I know we can do it cause when I look around,
                                                                Love is everything
There?s enough for everyone
                                                                All we need is love

And I?m sure you?ll find that the best gift
                                                                Let your heart believe
You can give this christmas
                                                                Love is everything
All we need is love
                                                                Love who you love
                                                                          Bh
Love is all we need
                                                                No one can judge
Love underneath the tree
                                                                Follow your heart and don?t give up
           Fh
Love is everything
                                                                Cause that?s what this day?s about
All we need is love
                                                                So grab ?em close and hold them in
Love is all we need
                                                                And don?t let go cause christmas is here
Let your heart believe
                                                                All we need is love
Love is everything
                                                                Love is all we need
Give it all cause it?s the season
                                                                Love underneath the tree
                                                                Love is everything
Spread lots of joy and lots of cheer
       Bh
If you need a cost, if you need a reason
                                                                All we need is love
Its the gift that just won?t disappear, won?t disappear
                                                                Love is all we need
The truth is
                                                                Let your heart believe
                                                                Love is everything
