Ariana Grande - Nasa

Tom: Ab

 (forma dos acordes no tom de Gb)
Capostraste na 2ª casa
Intro: This is one small step for woman, one giant leap for woman-kind

```
                    E
I'd rather be alone tonight
                                      E
You can say "I love you" through the phone tonight
                                  A
Really don?t wanna be in your arms tonight
                                  A
I'll just use my covers to stay warm tonight
                                  E
Think I'm better off here all alone tonight
                                    E
Ain?t no checkin' on when I get home tonight
                                A
Just makin' sure I'm good on my own tonight
                              A
Even though there isn't nothin' wrong tonight

                              E
Yeah, I'm just sayin', baby, I can?t really miss you if I?m
with you
          E
And when I miss you, it'll change the way I kiss you
      A
Baby, you know time apart is beneficial
              A
It?s like I'm the universe and you'll be N-A-S-A

E
Give you the whole world, I'ma need space
E
I?ma need space, I'ma, I'ma need
                  A
You know I'm a star, space, I'ma need space
A
I'ma need space, I'ma, I'ma need space (N-A-S-A )

E
Give you the whole world, I'ma need space
E
I?ma need space, I'ma, I'ma need
                  A
You know I'm a star, space, I'ma need space
A
I'ma need space, I'ma, I'ma need space (N-A-S-A )

E
Bottom line
                              E
Usually, I would love it if you stayed the night
                  A
```

```
I just think I'm on another page tonight
                                    A
It ain't nothing wrong with saying I need me time
E
Usually, I would orbit around you
          E                                        A
But gravity seems to be the only thing that's pulling me
                                      A
You'll be my rise and shine, soon as them stars align, mm-mm-
mm mm-mm

                    E
Baby, I can?t really miss you if I?m with you
                E
And when I miss you, it'll change the way I kiss you
          A
Baby, you know time apart is beneficial
              A                              N.C.
It?s like I'm the universe and you'll be N-A-S-A

E
Give you the whole world, I'ma need space
E
I?ma need space, I'ma, I'ma need
                  A
You know I'm a star, space, I'ma need space
A
I'ma need space, I'ma, I'ma need space (N-A-S-A )

E
Give you the whole world, I'ma need space
E
I?ma need space, I'ma, I'ma need
                  A
You know I'm a star, space, I'ma need space
A
I'ma need space, I'ma, I'ma need space (N-A-S-A )

E
You don't wanna leave me, but I'm tryna self-discover
A
Keep me in your orbit and you know you'll drag me under, mm-
mm-mm mm-mm
E
You don't wanna leave me, but I'm tryna self-discover
  E
(You don't wanna leave me, but I'm tryna self-discover)
A
Keep me in your orbit and you know you'll drag me under
    A
(Keep me in your orbit and you know you'll drag me under)

                              E
I'd rather be alone tonight, mm-mm-mm
                                          A
You can say "I love you" through the phone tonight, mm-mm-mm
mm-mm
```
