

# Ariana Grande - Obvious

tom: C

[Primeira Parte]

I love the taste of you in the morning  
 Keep me warm and  
 Nothin' else, nothin' more?important  
 Makes?me wanna believe?in love (Mmm)

I love the thought?of us in the evening  
 Crave the feeling  
 The way you feel, somethin' 'bout it's healing  
 I'm praying we don't fuck this up (ah-ah-ah, babe)

[Pré-Refrão]

Others that I've had had to impress me before  
 But I knew you were the real thing  
 When you walked through the door  
 I didn't think that I would have to spell it out

[Refrão]

Don't put the bands, put the bands on me  
 All my love, all my love is free  
 Ain't no price on my loyal - ty  
 No shit, got me right where you want me, baby  
 Could I be more obvious? (Ooh)  
 Hard to think when I'm under you  
 Tell you all of my dirty truths  
 No shit, got me right where you want me, baby

Could I be more obvious?

[Segunda Parte]

Maybe if I'm lucky, you might stay the afternoon  
 If you gotta work, just promise me you'll come back soon  
 Maybe you should pack a suitcase too (Too)  
 I love the thought of you never leavin' (No)  
 Days repeatin'  
 Gettin' steps up on the treadmill while you sleepin'  
 Never thought I'd believe in love again
