

Ariana Grande - Off The Table (feat. The Weeknd)

tom:

Intro: F7M F7M Dm7 Am7
Em7 Em7 Gm7 C7

[Primeira Parte]

Will I ever love the same way again?

(Way again)

Will I ever love somebody like the
Dm7 Am7
Way I did you?
Em7

Never thought you'd be so damn hard to replace
Em7

I swear it don't mean to be this way

If I can't have you, is love completely

Off the table?

[Segunda Parte]

Do I sit this one out and wait for the next life?

(Next life)

Am I too cold, am I not nice?

Might not be quite yet healed already
Em7

Should I be going too steady

But I just wanna know, is love completely

Off the table?

[Terceira Parte]

Will you be there? (Will you be there?)

Can I still love you? (Can I, can I?)

Not yet healed already (Not ready)

Should I be going too steady (Too steady)

Just wanna know, is love completely

Off the table?

[Quarta Parte]

I'll wait for you

Even though it always feels like I'll be

Number two

To someone you can't hold anymore

If you let me in, I'm ready to give you

What I couldn't before

'Cause I got you girl, let me help you through it

You're trying to fill the void with a couple boys

I can see right through it

(you can see right through it)

I can love you harder than I did before

Was in a dark place back then,

I was toxic and then I was toxic to someone else

I was haunted by the hills (oh, yeah, yeah)

I couldn't give you my all

But I will, if you let me in your arms (your arms)

If you let me in your heart

I don't think that love's completely off

The table

[Quinta Parte]

Will you be there?

(Yes, I will be there for you)

Can I still love you?

(Yes, I been hurt before, before)

Not yet healed already (Not ready)

Should I be going too steady (No, no)

Just wanna know, is love completely off

The table?

[Sexta Parte]

So can you hold me?

If I let you, can you prove it to me?

(Oh, no-no, no)

'Cause I need you to calm me down, babe

Gotta get out of my head (oh, woah)

Trying to be here from this bed (oh)

Just wanna know, just wanna know know know, baby (hey)

[Sétima Parte]

Can you touch it like you believe in it, baby?

(Oh, hey)

Let me think you never gonna leave on me, baby

'Cause I ain't her and you ain't him thankfully

(baby, don't leave)

But it's gon' be hard to let someone else

In again, babe (woah)

[Oitava Parte]

Will you be there? (Will you be there?)

(I'll still wait, I'll still wait for ya baby)
