Intro: I want you, I want you

I want you, I want you

I want you, I want you

Let me introduce myself

Let me introduce myself

Let me introduce myself

[Primeira Parte]

F7M                               Am7   Em7
  Looking in your eyes makes me wonder how
F7M                              Dm7   E7   Am7
  I got so much time with you and there's more around
                                 Dm7   E7
  I know all the competition that's after you
Am7                           Gm7    C7   F7M
  So I get to thinking, is this too good to be true?

[Pré-Refrão]

          Em7        Eb7M                          Dm7
That we're living in a fairy tale, no malice, and no lies
Em7   F7M            Em7
Baby, ooh, it's hard to believe
         Eb7M             Dm7
That the love you have inside is only mine
        Dm7   Em7
That's how I know

[Refrão]

F7M              Am7   Em7   F7M
I can't be your on-ly one
                 Dm7   E7   Am7
No, I can't be your on-ly one
                                   Dm7   E7
'Cause you look twice as good as anyone I ever met
    Am7
And your love is three times better

How could anyone forget?
Gm7  C7  F7M
No, I can't
          Am7   Em7   F7M
I can't be your on-ly one
             Dm7   E7   Am7
No, I can't be your on-ly one
                                  Dm7   E7
'Cause you look twice as good as anyone I ever met
   Am7
And your love is three times better

[Segunda Parte]

F7M                               Am7   Em7
  As I'm laying down with you every night
F7M                              Dm7   E7   Am7
  It still gets to me, that you remain by my side
                                 Dm7   E7
  I ain't saying that I'm not deserving of you
Am7                           Gm7   C7
  But I was dreaming bigger than I ever knew
