Smart money bettin' I'll be better off without you
In no time I'll be forgettin' all about you
You sayin' that you know
But I really really doubt you
Understand my life is easy
When I ain't around you

Iggy Iggy
Too biggie to be here stressing'
I'm thinkin' I love the thought of you
More than I love your presence
And the best thing now
Is probably for you to exit
I let you go
Let you back
I finally learned my lesson
No half-stepping
Either you want it or you just playin'
I'm listening to you knowing
I can't believe what you're sayin'
There's a million you's baby boy
So don't be dumb
I got 99 problems
But you won't be one
Like What
