I love it, I love it
I love the way you make me feel
I love it, I love it

[Primeira Parte]

Say, I'm thinking bout her every second, every hour
Do my singing in the shower
Picking petals off of flowers like
Do she love me, do she love me not? (love me not)
I aint a player, I just (player, I just)

[Segunda Parte]

You give me that kind of something
Want it all the time, need it everyday
On a scale of 1 to 10 Im at 100
Never get enough, I cant stay away
If you want it, I got it, I got it everyday
You can get whatever you need, from me
Stay by your side, I'll never leave you
I aint going nowhere cause you're a keeper

So dont you worry
Baby you got me

[Pré-Refrão]

I got a bad boy, I must admit it
You got my heart, don't know how you did it
And I don't care who sees it babe
I don't wanna hide the way I feel
when you're next to me

[Refrão]

I love the way you make me feel
I love it, I love it
I love the way you make me feel
I love it, I love it

[Terceira Parte]

Oh, so crazy you get my heart jumping
when you put your lips on mine
And honey its ain't a question, (question)
Boy I know just what you like

[Ponte]

So, if you need I got it, I got it everyday
Be your lover, your friend
you'll find it all there babe
Stay by your side, I'll never leave you
Say, I ain't going nowhere cause you're a keeper

So dont you worry
Baby you got me

[Pré-Refrão]

when I sneak in your mind
You're a princess to the public
but a freak when its time
Said your bed be feeling lonely
So you're sleeping in mine
Come and watch a movie with me
'American Beauty' or 'Bruce Almighty' that's groovy
Just come and move closer to me
