How do I make the phone ring?
G Am
Why do I even care?

G C D
When you're not really there?
Em

How do I feel you on me
G Am
when you're not on my skin?
Why do you say you want me?
G C D
Then tell me "I'm not coming in"
Em
Baby, just come on in
(D) Em
Cause every time I'm with you, I go into my zone
G Am
And I'll remember all the places you wanna go
C D
Take me all the way, ooohh
Em
Ain't nobody gonna touch it, touch it, touch it
(D) Em
Cause every time I see you I don't wanna behave
G Am
I'm tired of being patient so let's pick up the pace
C D
Take me all the way, ooohh
Em
Ain't nobody gonna touch it, touch it, touch it

How do you know I'm breathing

just for the night and forget?
