

Ariel Mançanares - Red String

Tom: **D**

D
i wanna pull the red string

Right now

G **D**
I want you here, somehow

A
I feel like we're connected

Bm
Through time and space

G
And when i see your face

Bm **G**
I just can't stop smiling

D **A**
'cuz i know you get what i mean to say

G **A**
I don't care if this song

Bm **G**
Doesn't sound like radio songs

D
I just need to say

A
My blood pressure drops

Bm
When i listen to those songs

G
Well, you know which ones

D
But still i can't

A
Stop doing this to myself

Bm **G**
'cuz i don't wanna forget

Bm **G**
I start by crying

D **A**
And in a second i can't help but laugh

G **A**
I don't care if this song

Bm **G**
Doesn't sound like radio songs

A **D**
And i don't care if my friends

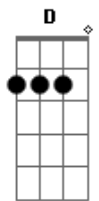

Bm
Might understand it's you
That i'm talking about

D **A**
i wanna pull the red string

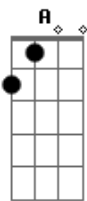

Bm
Right now

G **D**
I might drag you here
