

Arkells - On Paper

tom:
Capostrate na 7ª casa

[Primeira Parte]

I was floating across the dance floor
I was trying to think of something to say
When I went up to your girlfriends
And I pulled you away
You were so perfectly pretty
I could love every mistake
At the end of the night, yeah
I asked you your name

[Pré-Refrão]

And you said, "Laura"
I couldn't ignore it
The name of my old love
It keeps fucking me up

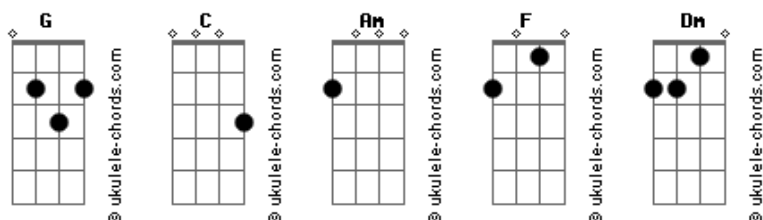

[Refrão]

But on paper, I could write it out for you
On paper, I could draw you a picture
On paper, I could finish any story
With any ending you please

[Segunda Parte]

And I saw you in a dream in the morning
It's the only time I can remember
You were sitting at my kitchen table
With no makeup on
And a thought flew in through the front door
You were so happy to see it
You were telling me about everything
You saw on tour

Acordes

[Pré-Refrão]

And I said, "Know this
I listen to your records
I keep you in my head", yeah
You probably got a boyfriend

[Refrão]

But on paper, I could write it out for you
On paper, I could draw you a picture
On paper, I could finish any story
With any ending you please

(F Am G Dm)

[Ponte]

I can't keep up, always playing catch up
Talking to you right now would be too much
Your ma told me I got a letter
Written from you, (it's) sitting on the dresser

I can't keep up, always playing catch up
Talking to you right now would be too much
May 14th, I got a letter
Written from you, (it's) sitting on the dresser

(F Am G)

(F Am G)

[Refrão Final]

But on paper, I could write it out for you
On paper, I could draw you a picture
On paper, I could finish any story
With any ending you please

But on paper, I could write it out for you
On paper, I could draw you a picture
On paper, I could finish any story
With any ending you please
