

# Arlindo Cruz - Chegamos Ao Fim

Tom: C

<sup>A7</sup>  
Olhe prá dentro de nós

<sup>Am</sup>  
Nosso amor terminou num deserto

<sup>G7</sup>  
Você vem me condenar

<sup>G7</sup> <sup>C7</sup>  
Mas sabe que errou também

<sup>Am</sup>  
Olhe prá dentro de nós

<sup>Dm</sup>  
No jardim já morreram as flores

<sup>G7</sup>  
Nossas fotos perderam as cores

<sup>G7</sup> <sup>C7</sup>  
Nossa cama está tão vazia

<sup>C</sup> <sup>F7</sup>  
Chego a ter calafrio no corpo

<sup>Em</sup>  
A tristeza invade o meu rosto

Quando lembro

<sup>Dm</sup>  
Teu cheiro, teu gosto

<sup>G7</sup> <sup>C</sup> <sup>C7</sup>  
E a farra que a gente fazia...

<sup>F7</sup>  
Onde foi nossa magia?

<sup>A7/13-</sup> <sup>Dm</sup>  
Nosso mundo encantado

<sup>Em</sup> <sup>F7</sup>  
Foi sofrendo lado a lado

<sup>G7</sup> <sup>C</sup>  
Que o amor se acabou...

<sup>Dm</sup> <sup>Em</sup>  
Chegamos ao fim tá doendo sim

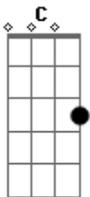

<sup>G7</sup> <sup>C</sup>  
Eu chego a perder a voz

<sup>Dm</sup> <sup>Em</sup>  
Só resta chorar e se lamentar

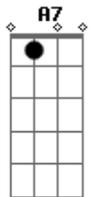

<sup>G7</sup> <sup>C</sup>  
Pelo que restou de nós..

<sup>G7</sup> <sup>A7</sup> (Volta no inicio)  
Pelo que restou de nós..
