

Arlo Parks - Black Dog

tom:

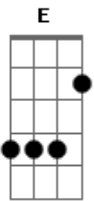

Intro: E A G

E I?d lick the grief right off your lips A
E You do your eyes like Robert Smith A
E Sometimes it?seems?like you won't?survive this A
E And honestly it's terrifying A
E Let's go?to the corner store and buy some fruit
A I would do anything to get you out your room
E Just take your medicine and eat some food
A I would do anything to get you out your room
E Gbm A
It's so cruel
E Gbm A
What your mind can do for no reason
E A
I take a jump off the fire escape

E A
To make the black dog go away
E A
At least I know that you are trying
E A
But that's what makes it terrifying
E
Let's go?to the corner store and buy some fruit
A
I would do anything to get you out your room
E
Just take your medicine and eat some food
A
I would do anything to get you out your room
E Gbm A
It's so cruel
E Gbm A
What your mind can do for no reason
E Gbm A
It's so cruel
E Gbm A
What your mind can do for no reason
[Final] E A
