[Primeira Parte]

Dbm A E
Baby can I hold your skin
Can I get a scent of the mood you're in
I've been floating on this sea for so long
I wouldn't recognize a place called home

Dbm A E
Oh and what a moment that was
How I got a taste of you in my blood
And remember how I wrote your name
On the rocks down by the river Seine

Dbm A
You said oh, nobody sees us
And Jesus, it was cold
And I laughed because it was just too late

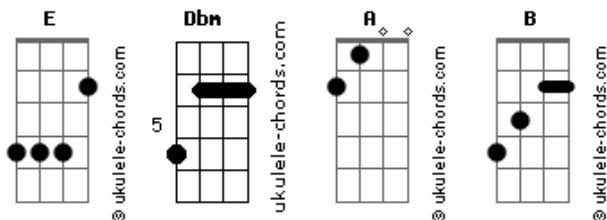

[Refrão]

A Dbm
Even though I don't know
If it's safe I'll jump in it
I would do anything to find
And underneath the sky
That's full of stars
I'm looking for your name tonight

Dbm A E
Eh

[Segunda Parte]

Acordes

Dbm A E
Maybe if I chase this dream
I'll feel how you intoxicated me
Upon the bridge I hear a radio play
And it sounds like something you would say

Dbm A
And the feeling's oh so holy
As I dive tonight alone
Singing, you're gonna miss me when I'm gone

[Refrão]

A Dbm
Even though I don't know
If it's safe I'll jump in it
I would do anything to find
And underneath the sky
That's full of stars
I'm looking for your name tonight

[Final]

A Dbm
If you ever return
To this place and come searching
For the message I leave behind
It's underneath this sky
That's full of stars
I was looking for your name
Tonight
