And it's hard to eat when you don't have the teeth

And how, when you lose the one thing you love

There's nothing below and there's nothing above

It's hard to accept what you don't understand

And it's hard to launch without knowing how to land  
**Bm** **D** **A** **Bm**  
And how, when it burns, you can't change a thing

You can soften the blow, but you can't stop the sting

I am still yours even if you're not mine  
**Bm** **D** **A** **Bm**  
I stare at the floor and I study the lines

Oh I took my place at the back of the crowd

Baby I couldn't see, but at least it was loud

At least it was loud
