

# Arnold McCuller - When Will You Come Again

tom:  
G  
I love you much more than I can express  
G Em  
I love you more than I can to confess  
G Am  
How dare this happened so fast and so strong?  
Em G  
I wonder if this is where I belong

G C Am  
But love has a funny way  
Em G  
Kisses can wash away  
Am D  
Just like the summer rain  
G Em  
When will you come again?

G D  
There is a story that longs to be told  
G Em  
Where I am near you a feeling unfold  
G Am  
No one or nothing can change how I feel  
Em G  
I'll wait forever until it's revealed

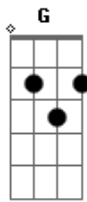

G C Am

Love has a bitter taste  
Em G  
Kisses can wash away  
Am D  
Just like the summer rain  
G Em  
When will you come again?  
  
Am D  
When do we give up this grand mascarade?  
Em G  
Why do I hold back what needs to be said?

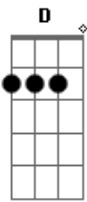

G C Am  
Love has a funny way  
Em G  
Kisses can wash away  
Am D  
Just like the summer rain  
G Em  
When will you come again?

G C Am  
Love has a bitter taste  
Em G  
Kisses can wash away  
Am D  
Just like the summer rain  
G Em  
When will you come again?
